Coding Challenges Details:

Program to print ASCII Value of a character

```
public class AsciiValue {  
  
    public static void main(String[] args)  
    {  
  
        char c = 'e';  
        int ascii = c;  
        System.out.println("The ASCII value of " + c + " is: " +  
ascii);  
    }  
}
```
